

# SITE SAFETY CHECKLIST: CHURCH

|   |                 | <b>Name:</b>   |                 | <b>Inspection Date:</b> __/__/__ |
|---|-----------------|----------------|-----------------|----------------------------------|
| <b>Housekeeping/Environment</b>   | <b>Yes</b><br>✓ | <b>No</b><br>x | <b>Comments</b> |                                  |
| Walkways clean/clear and exits free of obstructions?  |                 |                |                 |                                  |
| No overloading of power plugs and/or power boards?  |                 |                |                 |                                  |
| Are cables/cords placed properly to prevent trips?  |                 |                |                 |                                  |
| Are RCD's (Residual current Devices) used?  |                 |                |                 |                                  |
| Are hazardous substances stored safely and securely?<br><i>(note household cleaners are not hazardous)</i>                  |                 |                |                 |                                  |
| Is there clear and visible safety signage (exits/fire extinguisher notices/emergency procedures)?                           |                 |                |                 |                                  |
| Is access by visitors restricted? (Signs/barriers in place?)  |                 |                |                 |                                  |
| Is there an up-to-date First Aid Kit and signage?<br><i>(note: you don't need signage if this may attract undesirables)</i> |                 |                |                 |                                  |
| Are there any trained First Aiders with names displayed?<br><i>(note: first aiders list can be with the first aid kit)</i>  |                 |                |                 |                                  |
