

The St Dominic's Catholic Primary School Foundation was set up to ensure that future generations of St Dominic's Catholic Primary School can be supported where needed.

The St Dominic's Catholic Primary School Foundation is a totally separate entity to St Dominic's Catholic Primary School, however, it's main objectives are around supporting students and families at St Dominic's Catholic Primary School, and future planning for our community.

Many past pupils and families have shared with me that they have very fond memories of St Dominic's when they attended here. Primary schools are places where positive memories are made and they often set up children with their sense of self and their place in the world.

Positive primary school environments allow children to take risks, be challenged and to experience many successes, whether it be in the classroom or on the sports field.

The St Dominic Catholic Primary School Foundation is about ensuring that the legacy of our school continues for future generations.

Key purposes of the foundation:

The Trust Fund will be used exclusively for:-

Support for schooling at a Catholic college. The Foundation will cover the costs of a child's uniform and stationery fees for up to \$1,500.00 for their first year at a Catholic secondary school.

The Foundation will support families at St Dominic's Catholic Primary School with school fees, uniform costs and stationery costs.

The Foundation will support the St Dominic's Catholic Primary School Pastoral Care Group when helping families in need.

How can you support the St Dominic's Catholic Primary School Foundation?

St Dominic's Catholic Primary School has a very proud history in education. Many past pupils and their families still contact the school and want to support the school in some way. This Foundation has been set up so that they are able to do this. We are a family-orientated school that teaches the Catholic faith, alongside parents. We believe that we work in partnership with the families that attend this school.

This has not changed in the 59 years since it opened.
